Zbag™ ... a better bag for produce, utility, etc!

Zbag™ is SNAP's solution for "side-gusseted" bags -- the ones with the pleats in the side.

Some Zbags are in Tshirt style, but they're not ordinary Tshirt bags ...

... Zbag's "EDGE-STRIP™" feature makes opening *First-Time-Every-Time*.

May be with/out handles, on rolls, stacks, wickets, etc. ...

... for utility, deli, lunch, parts, litter-liner, garment, trash, doorknob/magazine
